ADNEWYDDIAD EGLWYSWYR CYMRU

Encouraging people to live in a closer relationship with God

# **ACADEMIC BURSARY FUND**

**A GUIDE FOR APPLICANTS TO THE FUND**

Anglican Renewal Ministries (Wales) has set up a Bursary Fund for the benefit of students on courses based in churches and institutions engaged in charismatic, Christian renewal and/or evangelism; or alternatively working as a volunteer with an organisation operating in these fields.

These courses must be in accordance with the Charity's objects, which are:

*The advancement of the Christian religion through the promotion and encouragement of spiritual renewal within Wales, the Church in Wales and other churches of the Anglican Communion.*

### **Selection**

The following criteria will be used for selecting candidates:

There must be a Welsh connection, the minimum requirement being that the candidate must be resident in Wales and must worship at a Welsh church (not necessarily Anglican).

The candidate need not be a student on a specific course – he or she could be a young person in a gap year going abroad for training, study or experience involving charismatic renewal, with, for example, an organisation such as SOMA.

### **Applications**

Applications should be made direct to the Secretary and be in by 31<sup>st</sup> May or 30<sup>th</sup> November. A reply will

be received by the end of the following month, and the bursary will be available then.

Candidates should write a brief statement about themselves saying why they want to do the course and considering the following points:

- previous educational and service opportunities.
- a brief indication of the financial situation of the candidate's household.
- a description of the social environment of the candidate and of his/her church.
- an assessment of how the course/ experience is relevant to charismatic renewal and the Church.

The application should be accompanied by a letter of recommendation of the candidate, preferably, but not essentially, from his/her church or minister.

The value of the bursary will take into consideration the number and calibre of suitable applicants but will not exceed £500 per candidate in any one year.
